Ball Horticultural Company

Innovation and excellence since 1905

Quick Facts:

- Private, family-owned company founded in 1905
- President and CEO: Anna Caroline Ball
- Headquartered in West Chicago, Illinois
- Worldwide sales, production and marketing through many subsidiaries on six continents
- Internationally renowned breeder, producer and wholesale distributor of ornamental plants and horticultural products
- Supplier of seeds, cuttings, plugs and other horticultural supplies for professional growers worldwide
- 7.5 acres of trial and display gardens in West Chicago, Illinois, with additional trial sites around the world
- Just a few of our many success stories now coloring the world: Fiesta™ double impatiens and Super Elfin® impatiens, Wave® petunias, AngelMist® angelonia and Sorbet® violas
- Marketing to home gardeners through Simply Beautiful®, a comprehensive plant brand including hundreds of top-performing varieties, and Wave® petunias, the family of five outstanding petunia series
- Founding Platinum Sponsor of America in Bloom (www.americainbloom.org) and a National Sponsor of Canada's Communities in Bloom (www.communitiesinbloom.ca), two national beautification programs that promote community pride.
